

## ADDENDUM NO. 1

**FIRST RESPONDERS PARK, CIP LB-17**  
CITY OF HILLIARD • 3800 MUNICIPAL WAY • HILLIARD, OHIO 43026  
(614) 876-7361 • FAX (614) 529-6017

BID OPENING DATE: March 9, 2010, 2:00 PM  
ADDENDUM DATE: March 3, 2010  
PRE- BID MEETING: February 24, 2010 at 2 PM

### To All Bidders:

This addendum amends or supplements the original specifications and related documents for this project. Please include a copy of this addendum with your bid submission to prove receipt of the addendum and its terms.

### Project Clarifications:

1. The 5% local preference is part of Hilliard City Code Section 129.03, which was adopted by Hilliard City Council on April 9, 2007 and became effective on May 9, 2007, through Ordinance 07-26. This local preference applies to bid contract services with respect to the bidders not their sub-contractors or material suppliers.
2. The granite wall bid does not include the engraving of the names.
3. APPENDIX A: BIDDERS SCHEDULE
  - a. This 11 page document will be replaced as part of this addendum is missing several pages including the Bidders Total. This contract is a unit price contract and the basis of award will be on the sum of the various unit prices bid.
  - b. Line 111 – Item 625, Bollards, Decorative, 18 Watt Warm White LED, 210 volt, 15 Each  
Line 86 – Item 690 Decorative Bollards, 15 Each  
**Response: These are the same item. Line 86 will be removed and will be marked “left blank” on purpose. The attached BID SCHEDULE has been revised accordingly.**
  - c. The last opportunity for questions is 72 hours prior to the Bid opening.
4. This project will be exempt from sales tax. The City's Finance Department will provide a blank sales tax exemption form to the successful bidder.
5. On the bid schedule lines 54, 55, & 56. Does line 56 represent the Full Range Bluestone as called for on the plans? The reference comes from sheet L3.00 Symbol C2.

**Response: Yes, Line item 56 is for Bluestone and should read 'Line 56, Item# 608, Bluestone (4" Conc. Sub base) Full Range, As per Plan. The revised BIDDERS SCHEDULE will reflect this.**

- 6. I have some other thoughts regarding plant quantities in the planters. I think 25 1 Gallon units is probably double what is really needed. I understand how they come up with the quantity. In reality, from a horticultural standpoint, 25 units is too many. Probably half as many would be better. Also the size specified could be reduced to quart size plants on the grasses.

**Response: Bid as per plan and contract documents.**

- 7. The soil quantity also is questionable. We are bidding the stated quantities but feel that 202 cubic yards of "Comtil" is way heavy.

**Response: Bid as per plan and contract documents.**

- 8. Prevailing Wage information is handled by Clyde R. Seidle, Director of Public Service with assistance provided by staff.

- 9. An electronic version of the BID SCHEDULE is available for use by contacting Brent Allen at [ballen@cityofhilliard.com](mailto:ballen@cityofhilliard.com) or telephone at (614) 334-2453. This is a static excel spreadsheet. If used the contractor is responsible for any errors in preparing bid item totals.

- 10. Questions on materials for the Flagpoles, Railings, and Plaza Fountain were submitted. This addendum addresses each below.

- 11. Question concerning water tap and permit fees, are these being waived?

**Response: No they are to be included in the unit price bid for Line 43, Item 805, ¾: Water Service Tap, Complete.**

**AMENDED ITEMS:**

This addendum serves to replace APPENDIX A in its entirety. Instructions: remove the 11 page BID SCHEDULE found in Appendix A and replace with the 12 page BID SCHEDULE attached to this Addendum. This new BID SCHEDULE reflects all items in the clarification statements above.

**SPECIFICATION CHANGES FOR ADDEDNUM:**

The addendum below will provide new specifications for the following items in the First Responders Park: (Fiberglass Flagpole, Ground Mounted Railing, Plaza Fountain).

<u>Line</u>	<u>Item</u>	<u>Description</u>
87	690	Fiberglass Flagpoles, As Per Plan

**Specification changes (no quantity changes):**

**Fiberglass Flagpole**

The Flag Pole specification needs to be changed from a ground sleeve installation to a **Hinge Base** mounting system. The color of the pole has also been changed to a **Silver Finish** and the ball top has been switched to an **Onion Top**.

The height of the 35'-0" pole has been switched to a 33'-0' pole, and the rest remain the same height.

***Material Description shall read:***

Fiberglass Internal Halyard Flagpole, **Hinge Base**, Flash Color, **Onion Top** **Color: Silver Finish**

Pole heights:

- FP1 – 20'-0" (POLICE) – no change
- FP2 – 20'-0" (FIRE) – no change
- FP3 – 25'-0" (CITY) – no change
- FP4 – 30'-0" (STATE) – no change
- FP5 – **33'-0"** (USA) – height change

The Supplier does not change.

<u>Line</u>	<u>Item</u>	<u>Description</u>
89	690	Railings/Guardrails

**Specification changes (no quantity changes):**

**Ground Mounted Railing**

The Ground Mounted Railing also has a revision. The material we specified on the drawings is Galv. Carbon Steel and needs to be changed to '**Powder Coated Aluminum**'.

The Supplier has changed to:

**American Railing Systems, Inc.**  
**1813 McClelland Ave**  
**Erie, Pa 16510**  
**(888)- 724-5634**

or an approved equal

<u>Line</u>	<u>Item</u>	<u>Description</u>
65		Granite Water Feature 2 – Plaza Fountain

**Specification changes (no quantity changes):**

**Plaza Fountain**

The Manufacture 'Fiberstars' that was specified for the plaza fountain fixture (sheet L7.00) no longer carries this product. The new fountain specification is below:

**Manufacture: Jandy Pool Products**

**Phone: 800-822-7933**

**Model number: JLLED**

or an approved equal

.....  
***This addendum shall be considered in submitting your bid and shall be attached to the original Appendix A: Bid Schedule and made a part thereof. Sign and date below, and FAX to 614-529-6017 to acknowledge receipt of this Addendum No. 1.***

Please direct any questions regarding this process to Clyde Seidle, Director of Public Service at [cseidle@cityofhilliard.com](mailto:cseidle@cityofhilliard.com), Fax: (614) 334-1177, or telephone at (614) 334-2443.

Clyde R. Seidle, P.E.  
Director of Public Service/ City Engineer

The Bidder's Total Bid on this sheet is for information only at the time of opening bids. The City will make the Total in Figures extensions on the Bid Schedule, and if there is any difference between the Total in Figures, the Total Unit Price in Words shall govern in calculating the Total in Figures.

**NOTE: This proposal shall remain valid, with unit and lump sum prices described herein, for a period of not less than 90 days from the bid opening date. All three (12) pages of this BID SCHEDULE shall become part of the Contract if proposal is accepted by the City of Hilliard. The unit and lump sum prices shall remain valid for the term of the contract.**
